

MIRA HARDWARE

1 1/4" Mira End Bracket with Bauhaus Finial and Chase Detail

The **Mira Hardware** features a high quality Nickel finish which makes it a perfect hardware for interiors, outdoors or bathrooms. The **Mira** rods are heavy walled tubular poles [1/8"]. Rods and finials are made of stainless steel. Brackets are fabricated from solid aluminum with a nickel finish in order to achieve a sturdy but light weight effect. Brackets and finials link together, keeping rods in place without set screws or other fasteners. All rods made to your specified length.

Hinges for bay windows and corners available.

3/4", 1 1/4" Single and Double Curtain Rod styles.
