

Order Form- Socket and Shower Brackets and Rods
Enter the full width of your opening, we will reduce the rod for fit.

"

Rod/window # _____ Rod diameter:

1/2" []
3/4" []
1-1/4" []

The diagram shows a horizontal rod with two square sockets at each end. A blue dimension line with arrows at both ends spans the width of the opening between the sockets. Above the dimension line is a double quote symbol. Below the rod, there are labels for 'Rod/window #' and 'Rod diameter:' followed by three radio button options: 1/2", 3/4", and 1-1/4".
